Featured Coinify Merchant

Hungry delivers takeaway food from more than 800 restaurants.

*"Since accepting Bitcoin payments through Coinify 4-5% of our orders have been paid with Bitcoin with an **increased margin of 3%**. Furthermore we have had zero chargebacks from our hundreds of Bitcoin paying customers. It is a pleasure working with Coinify and their payment solution is very easy to use."*

- Rune Risom, CEO of Hungry.dk

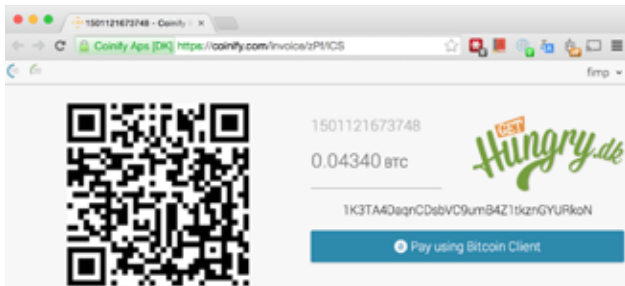

Daily bitcoin transactions over time

What is Bitcoin?

Bitcoin is both an electronic **payment network** where money is sent directly from person to person without middlemen and a **digital currency**. Since starting in 2009, Bitcoin has secured 33 billion euros in payments.
